Intimate that he is directed to state that it has been ascertained from the Excise Commr in Mysore that the permit in question was issued by the Amildar in accordance with the practice which had prevailed there for some years past, under which the Local Officials used to permit the export of ganja cultivated by the Patel of Chikka Honnenahalli Village in the Hassan Taluk. This practice though not sanctioned by the rules, seems to have continued unnoticed till now, and was apparently the result of misapprehension which the Amildar regrets. Further adds, that the practice has been reported to have been put a stop to and in the Revised Ganja rules, export of ganja is strictly prohibited.

From

To

General & Revenue Departments

Sir,

In reply to your urgent reminder No: 1803/Exc: 89, dated 3rd instant, I have the honor to forward herewith copy of docket No: 513, dated 8th instant, together with its original enclosures from the Deputy Commissioner, Hassan District, submitting the explanation of the Amildar of the Hassan taluk for having permitted the export of Ganja to British territory. The Amildar states that he simply followed the practice already in vogue. The practice referred to by the Amildar, was apparently based on para II in Ganja Cultivators' License published under Government

Government Notification No: 483, dated
4th May 1887. I am, however, of opinion
that the Amildar's explanation is
not correct, as the above Government
Notification clearly shows that when
the export of Ganja was permitted,
the export Pass had to be granted
by the Collector of the District in
British Territory, to which the Ganja
had to be exported. The Amildar's
pass was therefore unauthorized.

Cochlamation

The statement of the licenses who is the Patel of Chikalamunahalli of this Taluk is herewith submitted for perusal - It will be seen therefrom that he has been cultivating the quantity shown has been exported to British Territory under passes obtained year after year from the Taluk authorities - I have not been able to ascertain how this practice originated - All the licenses granted to him on duplicates thereof are also pasted in the office - But a register of passes has been kept in the office since 1895 - shows that two such passes were issued to this Patel in that year - An extract therefrom is also submitted for perusal - I took charge of this Taluk in 1896 and the pass in question was issued in pursuance of the practice already in this Taluk - But as directed by the Excise Commissioner the practice is now discontinued - I have therefore discontinued it - Submitted for favourable consideration -

Under such circumstances the Amildar of Hassan was quite incompetent to grant the pass in question. Requests therefore that his explanation on all these points and also as to the form in which he granted the Pass may be obtained and sent to this office
